MOM MOMENT

As the majority of you know, I am a single mom to two - Ryan is 14 and Jayden is now 12. I feel that trying to monitor our kids social media usage, screen time and keeping them safe online is a full time job so felt compared to share this documentary with you.

I just finished watching Childhood 2.0 and highly recommend it for anyone who wants to better understand the world our children are navigating as they grow up in the digital age. It features actual parents and kids as well as industry experts in child safety and development. This documentary dives into the real-life issues facing kids today including the following topics:

- Cyberbullying
- Online Predators
- Suicidal Ideation
- Self- Harm
- Sextortion
- Depression
- Violence
- & More

If your kids are anything like mine, they are way smarter than me with technology. The struggle is definitely real and with rise in depression and suicide in tweens and teens, I hope that this Mom Moment helps at least one of you #ItTakesAVillage

A Cosmic Alert: The Astrological Forecast for Feb. 2022

In February of 2022 momentous planetary alignments will occur. First (2/18/2022), the planet Neptune, the ruler of water and the oceans, will be positioned to be directly opposite the location of Neptune in the birth chart of the US. Then very soon after (2/20/2022) Pluto, the planet of power and transformation will be positioned to be in the same place it was on July 4, 1776. This latter event is known as a Pluto Return. These events are rare and noteworthy. The Neptune event happens only once every 165 years and the Pluto event only every 250 years. They are astrological influences on world events. They do not ever happen to individuals because we do not live long enough.

However, although these astro happenings are about world events, we as individuals, who are invisibly connected to each other (all is one), will be heavily influenced by their impact. As the US is a world super power these momentous happenings will influence everyone worldwide. An "opposition" as is happening with Neptune, is a tug of war and Pluto destroys to make room for new growth. Both events are disruptors. The US Astrology chart reveals that Neptune is in the 9th House that rules Spirituality and Pluto is in the 2nd House that rules Resources and Money.

Pluto and Money:

Pluto has been at work undoing our existing relationship to money ever since it entered the sign of Capricorn in January of 2008. Capricorn is the ruler of big business, money and government. As an example of the precision in the way that astrology delivers, on the very day Pluto first entered Capricorn Bernie Madoff turned himself into government agents. Huge changes have been happening in the realm of money management. One new trend is the emergence of cryptocurrency as a new financial horizon. We will be exploring this content at the upcoming November 11 event that is discussed in this Newsletter.

Current Astro Trends:

Monday (9/20/21) there is a Full Moon in Pisces, the sign of optimism and hope. At the same time Jupiter the planet of luck is giving positive energy to Mercury the planet of the mind. You should be able to effectively make plans that reflect optimism. Enjoy.

Help, Hope, and Happiness

Dolphins: Universal Water Helpers I return from my lovely R&R trip to the Bahamas to interact with wild dolphins feeling as sense of relieve for the world. I delightfully gained a very real felt sense that these pods of highly evolved beings, that exist in the oceans everywhere, have for centuries and are still now day-in-and-day-out crisscrossing the vast ocean component of the world laying down an energetic net of peace on earth.

Funny Fun Halloween: Cosmic Team Building Office/Costume Party Idea (This would work for a virtual or an in person gathering) Looking to do something different for Halloween? Suggestion: Have your staff share with me their birth data (date, time, and location of birth -- ok if time is not known) and I will identify for each person the zodiac sign and personality characteristics of the sign that appears on the cusp of the 12th house of each person's astrology chart. This house and its related sign is associated with mysteries (including but not limited to past lives). Then challenge everyone to come up with a costume to fit their newly discovered past life information. At the party you can have a contest for the most original and most accurate etc. etc. For more information or discuss how to customize this to fit your team contact me at (732) 859-2134 or CosmicSavvy@gmail.com. More about me at www.hattieparker.com.

An Opportunity to Be Part of the Expression of Help, Hope and Happiness:

Jill and I are in the process of organizing a wild dolphin trip September 25 – October 1, 2022. It will be, for those interested, a culminating experience to conclude a year long program of Adventures in Transformation: Financial Frequency, Cosmic Insight, Abundance and Magic. Details coming soon. At this juncture the host company (www.WildQuest.com) is asking us to determine if we have sufficient potential interest to reserve their facilities for our group as a stand alone. If this idea tweaks your interest it would now be helpful to know (no binding commitments are being asked for at this time). Please send an e-mail to jdisalvo@d-acpa.com with the subject line Yes to Transformation and Wild Dolphins.
