## *1099's Are Coming!*

Are you ready?

The IRS reminds taxpayers earning income from selling goods and/or providing services that they may receive Form 1099-K, Payment Card and Third-Party Network Transactions, for payment card transactions and third-party payment network transactions of more than \$600 for the year.

### For Business Owners:

If you pay business owners via electronic payment method, ie Paypal, Venmo and Cash App, the companies will automatically send the vendors a 1099-K.

**\*\*\*Please note, payments made via Zelle however will not automatically be sent a 1099-K as they are treated as bank transfers. You will need to prepare 1099-NEC's for these payments.**

### For Individuals:

The IRS also emphasizes that money received through third-party payment applications from friends and relatives as personal gifts or reimbursements for personal expenses is not taxable. If a Form 1099-K is incorrect and reflects income they didn't earn, they should call the issuer. The IRS cannot correct it

**\*\*\*PLEASE NOTE:** If your Venmo, Paypal or Cash App accounts are in your personal name (even if they are connected with your business account).the vendors **WILL NOT** be issued a 1099 automatically so you will need to issue to them

**About the VIBE 432 Challenge Program**

VIBE 432 is a system inspired by the magic, mystery and profound value that comes from believing we live in a user-friendly Universe. Working with this system for the challenge involves using a small set of specially designed cards (provided with the program) to gain insights that will support and uplift your energy field.

The name VIBE 432 relates to the ambient sound Vibration 432 hz. This tone is attributed to be the sound and energetic frequency of love, healing OM and any related energetic forces of supreme well-being. There is substantial scientific and anecdotal evidence to support the efficacy of this claim. The name VIBE 432 contains the secrets of this tool's meaning and purpose. VIBE is an acronym for "Visionary Victory through Insight and Breakthrough Energy". The number 432 in numerology adds to a total of 9 ( $4 + 3 + 2 = 9$ ). The #9 is a number associated with completion and wholeness. The cards are designed to help people succeed through gaining enhanced wholeness.
